

The image shows two identical V-shaped templates side-by-side, labeled 'FRONT' and 'BACK'. Each template consists of three nested lines: an innermost black line representing the 'FINISHED SIZE', a middle blue line representing the 'SAFE ZONE', and an outermost pink line representing the 'BLEED'. A legend at the top of each template identifies these lines with colored text and corresponding line styles. Below the legend, there are instructions on how to use the template, including a warning to delete the 'Instructions' layer and a note to place graphics on the 'Art' layer, extending to the bleed.
